

# Eagle NX

## Leg Extension

15-piece strength line featuring restyled aesthetics, refined movements, and reimagined user features designed to provide all users with progressive training options.

### FEATURES

- **Range Limiting Devices (RLD):** RLD always matches the resistance profile to the user regardless of range of motion selected, so work out safely and effectively, reducing chance of injury.
- **Greater comfort and stability:** Back pad is adjustable and angled to relieve hamstring tension.
- **Effortless positioning:** Innovative floating tibia pad offers effortless positioning and provides stability.

### USER AMENITIES

- **Placards:** Review proper set-up, movement and muscles trained. QR codes provide access to step-by-step videos demonstrating correct form and multiple exercise options.

- **Smartphone/tablet holder:** Your mobile device is safe and secure with our adjustable clip, designed for all smartphones and tablets. Simply clip in and go.

- **Water bottle/towel holder:** Keep your water and towel in arm's reach with our convenient water bottle and towel holder, standard on every Eagle NX machine.

Visit our website for instructional videos on standard and advanced movements.
